<input type="checkbox"/>	I understand that the information I have provided within this questionnaire may be used for the selected purposes outlined below:
--------------------------	---

Contact information will be used by your local tourism organisation and their tourism partners to contact me on a regular basis to ensure that address and contact records are accurate (including by phone, sms, email, post or fax). The information provided within the questionnaire will be processed for use in the web system for the purpose of advertising your business to a wide potential customer base and to service enquiries from the public and third parties.

Your local tourism organisation and their tourism partners may use the descriptive information to identify gaps in products and services available to customers, developing existing services, and for market research purposes. The information you provide may also be processed for inclusion in tourism publications and websites; statistical analysis; the promotion and sale of tourism services; customer service; administration monitoring; tracking and recording participation in projects and publications.

The information held within the DMS system will be made available to registered users and other users as specified above through password enabled web access. The full details provided in your questionnaire are accessible only by your local tourism organisation, their tourism partners and yourselves.

	I agree that my local tourism organisation and their tourism partners as specified above will use my contact information for marketing purposes: this may include receiving information about new services, initiatives or events that may be of interest; targeting offers, promotions, services and other events to businesses and notification of changes to our services (locally and nationally) or our database (including by phone, sms, email, post or fax).
